

Regional Quality Improvement Lead

[Apply Now](#)

Company: Leaders in Care

Location: West Yorkshire

Category: other-general

Are you passionate about improving the quality of care in the social care sector? We have an exciting opportunity for a Regional Quality Improvement Lead to join a leading provider of care homes across Yorkshire, the North East and Lincolnshire. This is a full-time, permanent position with the flexibility of hybrid working.

As a Regional Quality Improvement Lead, you'll enjoy an annual salary of £70, – £75,, a competitive pension scheme and the opportunity to make a real difference in the lives of residents. Plus, you'll have the flexibility of hybrid working, allowing you to balance your work and personal life.

Our client is a respected provider of residential, dementia and nursing care to individuals with increased frailty and long-term conditions. They are committed to delivering high-quality care while continuously identifying areas for development and improvement.

As a Regional Quality Improvement Lead, you will:

Lead improvement projects across services, working closely with health and social care commissioners and quality monitoring officers.

Oversee the development of an improvement plan and monitor progress against the agreed actions.

Understand care home operations, systems, processes and quality standards to maximise influence.

Lead regular review meetings to analyse and support interventions and report on the overall effectiveness of the improvement.

Promote best practice and effective person-centred care, driving development and quality improvement.

Work closely with the training team to ensure all staff have the required training for their role.

Package and Benefits:

In the role of Regional Quality Improvement Lead, you will receive:

An annual salary of £70, – £75,.

A competitive pension scheme.

Generous holiday allowance.

Flexible and agile working.

Mileage payments.

Staff discounts and Blue Light.

Opportunities for continued professional development.

The ideal candidate for the Regional Quality Improvement Lead role should have:

A degree education and a social care qualification.

Experience in quality management and improvement.

Strong leadership skills and risk management skills.

Knowledge of CQC Regulation and Local Authority Commissioning Quality Standards.

A full clean driving licence.

If you've previously held or have an interest in roles such as Quality Improvement Manager, Care Home Quality Lead, Regional Care Quality Manager, Care Home Improvement Lead or Quality Assurance Lead in the social care sector, this opportunity could be perfect for you.
