

Regional Technical Director - Drainage and Wastewater

[Apply Now](#)

Company: Anglo Technical Recruitment

Location: United Kingdom

Category: other-general

This role is for one of the drainage and wastewater consultancies, they are currently looking for an experienced Regional Technical Director - Drainage and Wastewater to join their growing team on a permanent basis to support the delivery of numerous projects all across the UK and internationally. This role is located in Bristol with additional locations of Birmingham, Cardiff, Derby and Exeter.

Your priorities will be to:

- Lead their existing teams in successful delivery of work under the existing frameworks.
- Bring your industry and client understanding and engagement skills to seek out, develop and win new opportunities, either directly from your existing client contacts or in collaboration with your Client Director colleagues in the Market and regional teams.
- Work with the technical experts nationally to forecast the future direction of the industry and plan and implement the steps required to ensure our Client remains relevant and strongly positioned to deliver key emerging projects.
