Registered General Nurse Nottingham

NURNT

Sirona Medical

are looking to recruit multiple RGN's for around 14 care homes all in the Nottingham area working under the same client. This client offers professional residential, nursing and specialist dementia care for older people.

If you are available and interested in working with Sirona Medical as a RGN in the Nottingham area please do not delay in contacting us ASAP!!

As an RGN you must have a degree in nursing and minimum 6 months solid experience in the said position.

Sirona Medical are recruiting for Registered General Nurses of all specialities, to provide the highest standard of care on an Agency/Locum basis. you will need to ensure that you are a dedicated and hard worker so that the needs of our clients will be met.

The Registered General Nurse will be expected to:

- Assess patients health and well being
- Assist in the delivery of care that are required for the individuals health and wellbeing needs.
- Be passionate in the delivery of care
- Support the management team in the unit by promoting team work with all disciplines of staff
- Act in accordance with NMC registration

requirements and Code of Conduct for exercising accountability and professional practice.

- To ensure that appropriate and up-to-date client records/files and computer information system is maintained and kept with due regard to confidentiality. The Requirements of a Registered General Nurse: • NMC in date and valid pin • Experience working as nurse with minimum 6 months experience • Full NHS compliance requirements (We will help you become fully compliant before commencing work).

Sirona Medical is a Healthcare Recruitment Agency supplying staff across many sectors within the UK. Sirona Medical has an excellent reputation for providing reliable Healthcare Professionals to both the NHS and private sector. We are renowned for our fast, friendly and high quality service.
