Company: Leaders in Care

Location: Crewe

Category: healthcare-practitioners-and-technical

Work as Registered Nurse within a nursing, residential, and dementia home in Crewe, Cheshire.

The Home is split into separate units and rated as Good with the CQC. We are looking for an RGN Registered Nurse with elderly care experience, and there is a part time or full time position available on night shifts, working 24 or 36 hours per week.

The shifts are 8-8, and the salary is at a competitive £21.50ph plus paid breaks.

To apply, you will need relevant nursing qualification (RGN) and excellent clinical skills. You will ideally have previous elderly care experience working in a nursing home environment, although this is not essential.

As Registered Nurse on night shifts you will;

Lead by example, ensuring high standards of care are adhered to on your nursing unit

Medication management, care plans and general nursing duties

Supervise the care team

There are full time hours available for a Registered Nurse on night shifts from 8pm-8am, or part time if preferred, the annual salary working 3 nights per week is £40,

Other benefits include paid NMC fees, company pension, assistance with revalidation, staff recognition awards and training and development opportunities within the group.
