Cliveden Manor Care Home, located **Marlow, Buckinghamshire** are currently recruiting for a Registered Nurse to provide excellent standards of clinical care to our residents. As a Registered Nurse with a passion for the delivery of clinical excellence, you will additionally provide support to the Home Manager by coaching and guiding care teams on shift and providing a safe, caring, stimulating and homely environment for residents and their visitors. It is essential for this position that you hold a current NMC pin.

The key responsibilities of our Registered Nurses include:

Maintaining high standards of care by undertaking accurate assessment and planning of care, delivery and ongoing evaluation of care plans, together with appropriate hand-over, to ensure all residents' needs are continuously met.

Responsible for the effective deployment and supervision of staff within the care team, ensuring all tasks are completed during the period of duty and residents receive required care.

Undertake nursing tasks including but not limited to, distribution of medication, dressings, catheterisation, tube feeding and management of chronic medical conditions.

Provide staff support, demonstration and instruction of care activities, particularly in relation to the induction and mentoring of new staff.

Liaise with health and social care professionals involved in the wellbeing of individual residents to maintain a holistic approach to their care.

Provide advice to families of residents and GP's of any changes in condition, which gives rise to concern and keeps them informed and involved in choices for ongoing care.

Develop and maintain positive working relationships with all residents, families, visitors and colleagues.
