Residential Property Lawyer Juno is a law firm for the digital age. We're on a mission to transform the experience of buying and selling a home, making conveyancing simpler, clearer and faster for everyone. For too long, conveyancing has been confusing, slow and not focused on the client experience. With our proprietary technology and our talented team, we're out to change this. Juno makes conveyancing simpler, clearer and faster. Juno is a modern law firm specialising in residential conveyancing and operating throughout England and Wales. We complete thousands of sale, purchase and remortgage transactions each year, and we're trusted with panel membership by 80+ mortgage lenders. We're rated as one of the best conveyancing firms in the UK by our clients (4.9/5 on Trustpilot) and estate agents and brokers frequently tell us how much they enjoy working with us. We've built our own software in-house. Clients can do all their conveyancing online, and always know what's going on.
