2-years PQE+ Residential Property Solicitor/Legal Executive/Licensed Conveyancer  
North London  
Salary DOE  
This is a new role in North London at a high-end independent law firm. The firm was originally formed by Senior Solicitors working in the City who wanted to continue their high-quality work but without the stressful and corporate world of Central London. Therefore, the firm still deals with properties worth £1million+, and offer a premium service to their clients. My client is looking for an experienced qualified Solicitor or Conveyancer to add to the team due to high demand for their residential property services. The successful candidate must have experience dealing with a mixed caseload of residential files, including sales and purchases, remortgages, and transfer of equity. Requirements: 2 years+ of post-qualified experience at an English law firm. Qualified as a Solicitor in England and Wales. Experienced working on new build residential property transactions. Have an ambitious and hard working attitude to work.
