Residential Surveyors and Valuers

We require experienced hardworking Surveyors and Valuers who will receive a generous commission based on fee income. Successful candidates will be proactive, flexible, highly motivated and self-managing surveyors, who are able to work on their own initiative and are keen to maximise earnings.

Our Surveyors receive a fee income of 50%.

As a self-employed consultant, you only work if, when and where you want!

We are keen to take on additional Chartered Surveyors to help meet the growing demand for our services. We require competent and experienced MRICS or FRICS qualified surveyors with a minimum of three years PQE to conduct surveys and valuations of residential properties in Greater London, Kent, Surrey, Sussex, Essex, Hertfordshire, Buckinghamshire, Middlesex and Berkshire.

Our Building Survey reports contain a valuation of the property hence all our Building Surveyors are required to be RICS Registered Valuers.

Please only apply for this position if you are currently a RICS Registered Valuer who currently provides residential building surveys.

If you're interested in applying for the above vacancy, please send your CV and covering letter to: Wilson Dunsin, FRICS by clicking 'Apply Now'
