## Retail Analyst

### Let's be unstoppable together!

Circana (formerly IRI and NPD) is the leading advisor on the complexity of consumer behavior. Through unparalleled technology, advanced analytics, cross-industry data, and deep expertise, we provide clarity that helps almost , of the world's leading brands and retailers take action and unlock business growth. We understand more about the complete consumer, the complete store, and the complete wallet so our clients can go beyond the data to apply insights, ignite innovation, meet consumer demand, and outpace the competition.

At Circana, we are fueled by our passion for continuous learning and growth, we seek and share feedback freely, and we celebrate victories both big and small in an environment that is flexible and accommodating to our work and personal lives. We have a global commitment to diversity, equity, and inclusion as we believe in the undeniable strength that diversity brings to our business, employees, clients, and communities (with us you can always bring your full self to work). Join our inclusive, committed team to be a challenger, own outcomes, and stay curious together.

### What will you be doing?

This position will be part of the Retail team, and as a key member of the team you will support in managing and developing the partnership with the Retailer as well as collaborating with internal Strategic Supplier Account Managers, in order to create value for

Circana and the Retailer supply chain. The Retail Analyst must be comfortable in a range of situations from; fully owning the day to day operational procedures, in depth understanding of the Retailer processes and ways of working and influencing key stakeholders and managing internal projects to bring increased value or benefit.

### **Job Responsibilities**

Drive partnership relationship with the Retailer

Ownership of day to day running of the account

Support Retail Account Manager to deliver Retailer JBP

Engage cross-functionally with a variety of teams, internally and with Retailer

Deliver a high level of excellence in customer service to Retailer partners and internal contacts

### **Requirements**

Minimum of year's experience at a Retailer in a Supply Chain role and ideally also experience of working within a Supplier Supply Chain function

Excellent people skills with the ability to build strong working relationships, work on own initiative and be flexible to travel

Strong communication proficiency and be able to clearly articulate via written communication, in meetings and when delivering presentations

Competent in Microsoft Applications, particularly Excel or other data analysis software is a must

### **Circana Behaviors**

As well as the technical skills, experience and attributes that are required for the role, our shared behaviors sit at the core of our organization. Therefore, we always look for people who can continuously champion these behaviors throughout the business within their day-to-day role:

Stay Curious: Being hungry to learn and grow, always asking the big questions

Seek Clarity: Embracing complexity to create clarity and inspire action

Own the Outcome: Being accountable for decisions and taking ownership of our choices

Center on the Client: Relentlessly adding value for our customers

Be a Challenger: Never complacent, always striving for continuous improvement

Champion Inclusivity: Fostering trust in relationships engaging with empathy, respect and integrity

Commit to each other: Contributing to making Circana a great place to work for everyone

## Location

This position can be located in the following area(s): Remote with access to Central London

Required for job postings in the United States - Recruiter will insert pay transparency language (see below) to JD after kickoff call with manager
