Company car provided for business use

Retail & Asset Solutions are currently seeking motivated, professional and flexible individuals to complete stock counts for well-known retailers, on a casual contract-basis across the UK. As an Independent Stock Counter, you will be

The Role

We are looking for Retail stock counter driver to add to our already successful team as part of a car share team.

Work will be carried out on different Retail customer sites and stores and travel will vary on a shift-by-shift basis. Sunday to Thursday

You will be responsible for ensuring stock is counted quickly and accurately using a handheld scanner.

Being able to stand for prolonged periods of time is needed for the role and access equipment may have to be used on occasion to reach high stock

Key Skills/ Experience Required

Due to the nature of our work, you must be able to work unsociable hours including early mornings and during the night when required. As a result, we can only accept applicants 18 years and over

You must have a full Driving License or be able to make your own way to and from sites using public transport.

You must have a 'can do' attitude and be able to work long shifts where required on large counts.

With our innovative business, the technology changes and therefore being a quick learner is a key skill required.

Any experience of handling stock is an advantage but not a necessity.

The Package/ Benefits

Colleagues will be offered a benefit called Wagestream, which enables colleagues to track, save and access up to 50% of their wages prior to pay day. Wagestream also offers financial advice, all contributing to the financial wellbeing of RAS colleagues

Progression Opportunities

Generous Holiday Pay

Pension Contribution

Retail & Asset Solutions are hiring NOW with immediate starts available.
