[Apply Now](#)

Company: Synchronised Solution

Location: Richmond

Category: healthcare-practitioners-and-technical

Job description: Synchronised Solution is currently recruiting a Mobile Veterinary Surgeon to work within a state of the art hospital based in the Richmond region. You would also be supporting nearby South London branches. We are looking for an Assistant Veterinary Surgeon with excellent English communication skills and who always strives to deliver first class care to the clients and who is confident in their ability and passionate about Veterinary Medicine.

You would ideally have at least 2/3 years' solid experience. As this is a mobile role, a full driving license is mandatory and you will be comfortable to work both sole charge as well as in a multiple vet practices. You'll be fully involved in all patient cycle as well as using state-of-the-art technologies such as MRI, CT, ultrasound, laparoscopy, endoscopy. This is a full time position with a 4 day working week and you will be working 1 in 3 Saturdays or 1 in 6 Saturdays and Sundays.

Location details: You will be based at the Richmond hospital but also supporting other local branches within South London.

Salary and benefits: There is on offer a very competitive salary dependent on experience as well as a very generous accommodation yearly allowance. A car is also provided or allowance as well continuous paid for Continuous Professional Development and paid RCVS, VDS and BVA fees. Outstanding career progression including post-graduate study and partnership opportunities for the right candidate.
