## **Job Title: Offshore Rigger - North Sea**

We are currently seeking a skilled and safety-focused Rigger to join our offshore operations in the North Sea. As a vital member of our team, you will play a key role in facilitating efficient and secure lifting and rigging activities on our offshore vessel.

### **Key Responsibilities:**

Execute safe and precise rigging operations on the offshore vessel in the challenging environment of the North Sea.

Ensure compliance with all safety regulations and company policies during rigging activities.

Proficiently operate rigging equipment, including cranes and associated machinery.

Collaborate with the team to plan and execute rigging tasks in alignment with project requirements.

Conduct regular inspections of rigging equipment, identifying and reporting any malfunctions or issues promptly.

### **Requirements:**

Proven experience as a Rigger, preferably in an offshore setting.

Familiarity with the specific challenges posed by the North Sea offshore environment.

Knowledge of rigging equipment and procedures.

Commitment to maintaining a high standard of safety and adherence to protocols.

If you are a dedicated Rigger with offshore experience and a commitment to safety, we invite you to join our dynamic team in the challenging and rewarding environment of the North Sea.
