Rigging and lifting trainer (Full training provided)

Teeside

£30'000-£35'000 +Pension + Provided lunches + Training + Progression+ Holiday

Do you have a background in Crane operations, rigging or heavy lifting?

Are you looking for a role that can offer you a great work life balance, brilliant working conditions, first class training, career progression and play a key role in developing other professionals?

This organisation are going through an exciting period of growth. They have recently invested a significant amount of money into its facilities and equipment such as life boat simulators. Their ambitions are to be the leading training provider for the energy and engineering industry by investing heavily into new technology and innovation.

In this role you will be delivering a number of courses such as ECITB appointed person moving loads, GWO slinger signaller, LOLR awareness and OPITO banksman slinger initial training.

The ideal candidate will have a strong background in a role in crane operations or have held job titles such as banksman or rigging.

This is a brilliant role for someone who has a background as a banksman, rigger or crane operator to move into a trainer role where you can make a real difference to people's lives.

The role:

*Delivering a wide range of courses such as ECITB appointed person moving loads, GWO slinger signaller, LOLR awareness and OPITO banksman slinger initial training.

*Site based role in Newcastle with some traveling to Teeside.

*Full training provided

The person:

*Have a background in Rigging, banksman, crane operations, slinger, signaler or appointed person.,

*Candidates who hold an OPITO are encouraged to apply.

*Live commutable to Teeside
