

## RMN/RNLD Assessment Contract

[Apply Now](#)

Company: RIG Healthcare Recruit

Location: United Kingdom

Category: life-physical-and-social-science

### Description

We are currently recruiting for a 3x Band 6 RMNs/RNLDs for our client based in Coventry.

We are looking for someone who is available for a contract up until 31/01/2021.

This role will involve completing complex assessments of patients on general ward who require an assessment on their mental health.

Responsibilities include (but not limited too):

Undertake comprehensive and complex assessments and make clinical decisions using your own clinical judgement without supervision.

Be able to synthesise highly complex clinical information from a number of sources.

Reach clinical decisions based on information received and make judgements on available options.

Full time and part time hours are being considered for this role as Job Share is available, they are also offering Early, Late and Night shifts and will also considered Long days.

If you are an RMN/RNLD looking for a new role locally to Coventry - APPLY NOW!
