

Robotic Welder Operator

[Apply Now](#)

Company: Midland Structures

Location: Brettell Lane

Category: architecture-and-engineering

JOB OVERVIEW

Midland Structures Ltd are seeking a time-served welder/fabricator to join our growing team. Commutable to Brierley Hill, you will have hands-on experience working with structural steelwork and will be able to fabricate often complex assemblies by working from technical drawings. You must have the required level of technical know-how to be able to operate and troubleshoot our industry-leading AGT BeamMaster robotic welder. Finally, you must be motivated to be a part of a successful and growing business. In return, you will become an integral part of the Midland Structures team; committed to offering the very best quality of work and service to all of our highly valued customers.

JOB TITLE Robotic Welder Operator

LOCATION On-site

JOB TYPE Full-time, permanent

RATE £14.00 - £15.50 p/h, subject to experience

HOURS Day shift & Afternoon shift available - enquire for more details

KEY RESPONSIBILITIES

- * Operate robotic welder purpose-built for the fabrication of large structural steel components.
- * Utilise existing knowledge of fabrication to read from Tekla drawings before using a digital projection tool to mark-up pieces for fabrication.
- * Use MIG welding equipment to tack weld into place.
- * Adjust and set the automated robotic welder to run the required programme before preparing the next piece for processing.

- * Work to critical dimensions and tolerances, often with minimal supervision.
- * Problem solve / troubleshoot any issues to ensure uninterrupted production.
- * Assist in quality control during manufacturing stage.
- * Implement routine machine cleaning & maintenance, focusing on preventive maintenance.
- * Load / unload steel (this may require use of an overhead crane & other heavy machinery).
- * Manual lifting & manoeuvring of materials.
- * Adhere to all Health & Safety & company standards.
- * Train new & existing staff on machine operation procedures (as and when required).
- * Have a flexible approach to working additional hours (dictated by workload).

THE COMPANY

Midland Structures Ltd is a well-established Structural Steelwork Contractor based in the West Midlands. We offer a coordinated design, manufacture, and installation solution for all types of steel structures.

Through investment and innovation, we have developed a supply chain capable of accommodating our customer's requirements with projects ranging from 1 tonne up to 1000 tonnes. With the latest software and machinery, we are able to process in excess of 150 tonnes of steelwork per week.

Our 70,000 sq. ft. factory is equipped with two cut and drill lines, submerged arc welding, in house shot blasting, plasma cutting, robotic coping, off site assembly and a dedicated intumescent paint facility. Our Cutting-Edge facility reliably gives customers steelwork delivered on time and within budget allowing us to focus on building relationships within the industry.

BENEFITS

In addition to a competitive salary, we offer the following benefits to all employees*:

- * Life Insurance
 - * Health cash plan
 - * Wellbeing support
 - * Health screening
 - * Employee Assistance Programme (EAP)
 - * Long-term sickness cover
 - * Peoples Pension (state scheme)
 - * 28 days holiday (including statutory holidays)
 - * On-site parking
- *Certain benefits are only available following successful completion of a probation period
