## Rolling Stock Fitter

**Ipswich/Wembley**

**Six Months**

**Various Shifts**

**£28 per hour (Paid via Umbrella)**

**Travel expenses paid**

We are seeking a Level 3 qualified Rolling Stock Fitter to join the team working across a number of depots including Ipswich and Wembley, candidates must be happy to travel as required (expenses will be covered).

The successful candidate will be expected to work a variety of shifts in order to keep the fleet of passenger trains maintained and safe for service.

You will carry out various tasks including preparing the vehicle for reprofiling, general servicing and maintenance, fitness to run tests, refuelling and post tyre turning checks.

If you have a Level 3 Engineering qualification and experience maintaining rolling stock please get in touch for more details.
