

Sales Project Director - Design and Build

[Apply Now](#)

Company: Bigblue

Location: London Area

Category: other-general

Job Opportunity: Project Director - Design and Build Industry in London Location: London, United Kingdom Position: Project Director - Design and Build Industry Type: Full-time Salary Budget £120,000 - £150,000 + Comms & Package About The Business: A well known London based player in the design and build industry, renowned for delivering innovative and high-quality projects across London. With a dedicated team of experts and a commitment to excellence, They have established themselves as a trusted partner designing and building lovely commercial offices. Role Overview: As a Project Director, you will be at the forefront of the operations, driving the successful execution of design and build projects. You will play a pivotal role in orchestrating project teams, liaising with clients, and ensuring seamless project delivery while upholding the highest standards of quality, safety, and innovation. Key Responsibilities: Lead, mentor, and manage a diverse team of professionals, including designers, engineers, contractors, and subcontractors. Source your own prospective projects through your network. Oversee project planning, design development, and construction phases, ensuring alignment with project goals, timelines, and budget. Collaborate closely with clients to understand their vision, requirements, and objectives, and maintain strong client relationships throughout the project lifecycle. Monitor and manage project budgets, costs, and resources to optimise efficiency and profitability. Mitigate risks by identifying potential issues and implementing effective solutions in a timely manner. Ensure adherence to regulatory standards, industry best practices, and safety protocols. Foster a culture of innovation, teamwork, and continuous improvement within the project teams. Provide regular project updates and reports to senior management and stakeholders. Are you ready
