Company: TECHOHANA

Location: London Area

Category: other-general

Role: Salesforce Administrator Salary up to 65k DOE Location: London TechOhana has an exciting opportunity within the Salesforce ecosystem for an experienced Salesforce Administrator. The partner we are working with are national Energy suppliers and are currently in the process of building a greenfield implementation of salesforce technology that will increase efficiency with their clients. To fulfill your role at this company you will need to act as the subject matter expert for Salesforce-backed products, mastering functionality across multiple projects. Hands-on knowledge with design, implementation processes, flows, and automation to optimise the efficiency of the team is vital. The ability to collaborate with stakeholders is imperative, you will need to understand their needs and translate them effectively into a Salesforce solution. This role gives someone the chance to not only put their stamp on a project within the Salesforce eco-system but to also develop your career as part of a national Energy supplier. Requirements for this position: 3 years experience within the Salesforce ecosystem Experience working within either Sales or Service Cloud Ability to communicate and learn Client-facing experience either managing expectations or gathering requirements and workshops Configuration, process builder, or workflow knowledge Salesforce Certified Benefits of the role: Market-leading salary with a fantastic bonus structure Unlimited training budget Autonomous Working Structure.
