## SAP Change and Training Consultant

### NTT DATA Business Solutions -

NTT DATA Business Solutions Group is part of the NTT DATA Corporate Group a top global IT services provider, headquartered in Tokyo, operating in more than countries. We combine a global reach with local intimacy to provide premier professional SAP services from deep industry expertise consulting to applied innovations in digital, cloud, automation, and system development to business IT outsourcing.

As a global SAP Platinum Partner, NTT DATA Business Solutions Group leverages its global expertise to deliver quality outcomes whether you are a multi-national or operate in a single country. With over 9, SAP experts across countries, we have the capability and reach to help you solve real problems and seize the next opportunity for growth around your SAP strategy and operations.

Our global award-winning SAP practice, differentiated by innovation is the undisputed leader in SAP S/4HANA. With about SAP HANA clients and more than SAP S/4HANA clients.

Our clients trust our deep experience and proven approaches - all around the world.

### POSITION DESCRIPTION OVERVIEW

Our Change Assurance Practice has been growing consistently over the last 4 years and the services delivered by this team remain a key strand of the NTT Data Business Solutions growth strategy. There is a significant market opportunity to help existing & new customers achieve their digital transformation goals with the addition of change management and project based training services

We now seek to appoint additional SAP Change Management and Training Consultants to support the growth of this important line of business and contribute to the evolution of the practice itself. The successful candidate will be responsible for managing the change journey for all impacted stakeholders within the assigned Client environments. At the same time there is an opportunity to bring ideas and innovation to the table, contributing to evolving and shaping our ways of working.

On the job training is provided on the NTT Data Business Solutions project toolset.

Due to our customer base operating across Europe and beyond, we are looking in particular for French speakers.

On the job training is provided on the NTT Data Business Solutions project toolset.
