SAP Public Cloud Professional Services Consultant - Permanent OR Contract

SAP, some experience, lot of experience, consultant United Kingdom share on

You're a dynamic and motivated business professional with a passion for **cloud professional service** processes. You're a team player who likes taking up an active role in improvement projects. You thrive in both small and large project teams.

You are energized by interactive workshops with C-level executives, middle management and shopfloor operators. You're quick to understand business challenges and propose strategic (and technological) solutions to help improve sales and distribution processes.

You're flexible and can handle the uncertainty our customers face in their business transformation journeys – you're there to guide them into the right direction!

Apply for SAP Public Cloud Professional Services Consultant - Permanent OR Contract!

Thank you for your application.

We will get back in touch with you soon! Have a great day!

About delaware

We exist to help our clients reach their full potential, by applying our common sense,

business experience and passion for technology.

Delaware is a global consultancy that partners with leading technology providers such as SAP (Platinum Partner) and Microsoft to deliver advanced digital solutions. We develop, innovate and implement technology transformations guiding our clients towards an intelligent future. Everyone at Delaware is a steward of the business. We are building for the future and for those that succeed us and we take responsibility for our relationship with the social and ecological environment.
