### **SAP Public Cloud Service Management Consultant - Permanent or Contract**

SAP, some experience, lot of experience, consultant United Kingdom share on

You're a dynamic and motivated business professional with a passion for **sales and distribution service** processes. You're a team player who likes taking up an active role in improvement projects. You thrive in both small and large project teams.

You are energized by interactive workshops with C-level executives, middle management and shopfloor operators. You're quick to understand business challenges and propose strategic (and technological) solutions to help improve sales and distribution processes.

You're flexible and can handle the uncertainty our customers face in their business transformation journeys – you're there to guide them into the right direction!
