## SAP Technical Architect - Permanent

SAP, some experience, lot of experience, consultant United Kingdom share on

You are passionate about **innovation, SAP and cloud technology** You combine this passion with the **technical and commercial insight** to put yourself in the shoes of the customer, understand their reality and translate this into a technical SAP architecture or solution. As a **mature, technically skilled SAP Basis expert**, you stay **involved and engaged** throughout the project implementation cycle, even after the go-live.

You are **ambitious** and eager to take on a varied range of innovative SAP projects. You are **keen on growing and diversifying your architectural skills**, collaborating with colleagues from other teams and solutions. You are **committed to expand your knowledge** by staying up-to-date on the latest technologies in your field and **mentoring** your less-experienced colleagues. You love **building business relationships**, collaborating with Sales colleagues and helping our team grow.

**Apply for SAP Technical Architect - Permanent!**

**Thank you for your application.**

**We will get back in touch with you soon! Have a great day!**
