Company: Contechs

Location: Liverpool

Category: business-and-financial-operations

## SAP Trainer

**5-month initial contract**

**Onsite - Halewood**

**£500pd (Inside IR35)**

I am currently recruiting on behalf of a Luxury Automotive OEM, based in Halewood, who are seeking a SAP Trainer to join their team

### **Job Description**

As SAP Trainer, your main responsibilities are:

Create and deliver SAP Manufacturing modules to business end users, getting the organisation engaged and ready for the change and ensuring that the change is adopted and sustained.

Process assessment and stakeholder identification in the form of a Training Needs Analysis (TNA).

Design and create SAP user training, using SAP EnableNow and Articulate RISE.

Developing training content including classroom courses, online learning courses, assessments, videos, simulations, and quick reference guides.

Evaluating the SAP users level of knowledge at appropriated levels.

### **Qualifications / Skills required**

Experienced SAP R3 / S4 user experience in a training creation and delivery position.

Experience creating simulation training.

SAP Enable Now Articulate RISE

### **Why work through Contechs?**

Contechs is a strategic partner to the automotive industry, providing innovative design and engineering services to global OEMs, from concept to production. Founded in 1997, Contechs has since established itself as a leading automotive recruitment specialist, recruiting across all disciplines in the product development process.

Its dedicated Contractor Care Team plays a pivotal role in providing an effective and successful placement for external employees, supporting them throughout their contract, from pre-placement to contract renewal.

**If you know anyone that is suitable for the role, please visit our refer a friend page where we offer up to £600 for successful referrals:**

\*Applicants MUST have proof of immediate, on-going and valid eligibility to work full time in the UK and travel within the EU.\*
