Science Graduate Teaching Assistant

Are you a science graduate looking to get your foot in the door to progress your educational career?

This Science Graduate Teaching Assistant role is the perfect opportunity to develop your communication and leadership skills!

If so, this is the perfect role as a Science Graduate Teaching Assistant!

*** Science Graduate Teaching Assistant

*** £85 - £95 per day

*** September 2024 – July 2025

*** 'Outstanding' secondary school, Wolverhampton

*** 1:1 and small group support within science KS3 & KS4

The role of a Science Graduate Teaching Assistant requires you to have a science related degree, a strong academic science background and the confidence to lead students in a 1:1 or small group intervention setting. You must be eager and have the passion to progress your career in education.

As a Science Graduate Teaching Assistant, you will be supporting and assisting students that may struggle to focus and learn in a large classroom environment. This is a great opportunity for you and the children as this will greatly increase their motivation to learn as they will be getting the more intimate learning approach. You will be given lesson plans from the class teacher and will have free reign to deliver this to the students.

This school is well funded and has brilliant facilities and staff members. The school and staff share the same ambition to progress and develop the school. The warm and welcoming staff is a great place to kickstart your career.
