### job details

Science Teacher with a Biology Specialism Needed in East Grinstead, West Sussex

Are you a dedicated and enthusiastic Science Teacher, specialising in Biology?

Do you have a passion for inspiring young minds with the wonders of the life sciences? ...

An exciting opportunity awaits you at our Secondary School in East Grinstead, West Sussex.

Position: Science Teacher (Specialising in Biology)

Location: East Grinstead, West Sussex

Start Date: April 2024

Qualifications: QTS (Qualified Teacher Status) with a Biology Specialisation

Why Choose This School?

**Cutting-Edge Science Education:** Join a school committed to delivering a progressive and comprehensive science curriculum. Their dedication to remaining at the forefront of scientific advancements ensures a stimulating teaching environment.

**Supportive Team Environment:** Become part of a collaborative community of educators who are passionate about fostering curiosity and critical thinking. Their team ethos promotes professional development and continuous growth.

**Passionate Learning Environment:** Inspire students with your passion for Biology. Your role involves fostering curiosity, exploring the marvels of life sciences, and instilling a lifelong love for scientific inquiry.

State-of-the-Art Facilities: Engage students in hands-on learning experiences within their well-equipped biology laboratories. Their team provides the necessary resources for effective and immersive science education.

Community Engagement: Forge meaningful connections within the East Grinstead community. The Senior Leadership Team (SLT) recognises the value of collaboration among educators, students, and parents in creating a supportive and enriching learning environment.

Responsibilities:

Deliver captivating Biology lessons to cultivate a passion for the subject.

Create an inclusive and positive learning environment for all students.

Utilise modern teaching methodologies to enhance student engagement and understanding.

Contribute to the development of the school's science curriculum, with a focus on Biology.

Provide guidance and support to students to ensure their academic success.

Requirements:

QTS (Qualified Teacher Status) with a specialisation in Biology.

Enthusiasm for teaching and a deep passion for the life sciences.

Strong communication and interpersonal skills.

Ability to inspire and motivate students to excel in Biology.

Demonstrated success in teaching and engaging students effectively.

How to Apply:

Ready to embark on a journey of scientific discovery and education? We invite you to apply today!
