

Scientific Content Writer

[Apply Now](#)

Company: Polytec Personnel Ltd

Location: Saffron Walden

Category: sales-and-related

Location: Saffron Walden (CB11)

Duration: Permanent

Hours: 8:30am until 5pm (Monday to Friday)

Salary: £30,000 - £35000 depending on experience

Job Reference: 35152

The Role:

Polytec are looking for a Scientific Content Writer for our Saffron Walden based client. You will work closely with Product Managers and Technical Specialists to produce a wide range of high-quality written content. You should have a strong interest in chemistry.

Responsibilities:

- * Create engaging written content to appeal to a global audience, adapting style and tone to suit your target
- * Translate complex science into clear, well-structured and impactful communication
- * Creation of white papers, promotional email copy, website content, social media copy, brochure copy, product instructions, interviews, articles and PR
- * Technical Webinars / Video script writing
- * Review, edit and improve existing content

Requirements:

- * Degree qualified in Chemistry or related subject ideally
- * Excellent writing and editing skills. Ability to write to a high-level audience (specifically scientists)

* Experience creating strong, engaging written technical content

* Confident in understanding and using scientific language and vocabulary

Please contact us as soon as possible for more details or apply below
