Business Line specific context

Egis is a leading global consulting, construction engineering and operating firm. We work together with our clients, across every aspect of transport, energy and the built environment to build a more balanced, sustainable and resilient world. The Egis Group has over 50 years experience and a team of 18, employees in over countries around the world. Joining our Group means, above all, sharing our values as a people-first company, strongly committed to sustainability and innovation.

In the UK we're proud to be delivering some of the most iconic projects which help connect people, protect our environment and meet emission reduction targets. From motorways to tramways, nuclear power plants to smart cities, clients choose us to help them solve their most complex challenges - delivering climate-responsible growth that meets the needs of communities, industry, and the planet.

Job description

The M25 is one of our Flagship projects in the UK! It is the most used part of the UK Strategic Road Network with it seeing over , vehicles per day and its a critical infrastructure asset for personal and goods vehicles into and around our capital. The network includes around structures and 5 tunnels, so it requires high levels of performance, constant improvement and repairs to keep it operating smoothly.

Weve formed a Joint Venture project called Connect Plus Services (CPS) to work with our partners to widen, operate and maintain the M25 under a 30-year contract and are looking for a Security Officer to work as part of the wider security Operative team undertaking duties within the security office, security patrols and marshalling.

Key responsibilities:

Monitor and operate security CCTV systems.

Support the transport of cyclists across the River Crossing.

Patrol and audit the network and Depots on foot and in a vehicle.

Respond to all security related incidents.

Manage the issue of keys.

Manage the issue of contractor permits.

Accurately maintain security procedure audit trails.

Ensure all security policies and procedures are robustly applied.

Support the Security Office Administrator.

Any other duties, commensurate with the position, as required by the Security Manager.

Marshal all vehicles coming into the KMA (Kent Marshalling Area).

Process Dangerous Goods Vehicles.

Liaise with DVSA and the emergency services.

Monitor Forward Tanker bay.

Prepare KMA as Emergency Services RVP if required.

Follow and act on directions from Control Room Manager in relation to movement of vehicles from the KMA.
