

Security Systems Engineer

[Apply Now](#)

Company: Harwood Recruitment Ltd

Location: Southampton

Category: architecture-and-engineering

We provide extensive support to clients across the southern half of the UK and London. Our services include the design, installation, and service support of Fire, CCTV, Access control, Intruder alarms, Emergency lights, Fire Extinguishers, and Nurse call systems. Since the company's formation, we have also become a leading specialist in wireless radio fire alarm solutions.

This is a unique opportunity to work with a friendly company that maintains a family feel. Based in Southampton, we are currently seeking engineers to join our team covering the south of the UK and London.

Package:

- Salary Negotiable
- Overtime available
- Commission scheme
- Call out - £250 stand-by per week + time and a half door to door.
- Performance related bonus Scheme (£1000+ per year)
- 26 days holiday + bank holidays
- Travel paid after 30 mins each way.
- Training Scheme (Manufacturer & In house)
- Full training room at our head office with multiple fire and security panels
- Vehicle + Fuel card provided.

- All plant tools supplied

Main Responsibilities:

- Minimum of 5 year's industry experience working within security installations and servicing.
- Previously worked in a security systems engineer role.
- Service and maintenance of intruder alarms, CCTV and access control systems in line with British standards.
- Installation and commissioning of intruder alarms, CCTV and access control systems.
- Excellent understanding of electronic circuit operations.
- Responsible for the delivery of installations.
- Project handover and documentation.
- Exceptional Fault-finding skills.
- Experience with Pyronix, Texecom, Galaxy, Paxton, Hikvision, Dahua, Wisenet.
- Advanced understanding of IP networks and VLANS.
- Experience with Fire alarm systems. Advanced, Kentec, EMS, and EDA (desirable)
- Work closely with our senior security supervisor, installation, and service managers.
- UK Driving License (required)
- Working as part of a friendly team
- Working in line with our core values (Positivity, Respect, Ownership, Unity, Delivery)

Standard working hours are 8.00 am - 5.00 pm Monday – Friday with 1 in 6 weeks on call
