Company: The Education Network Warrington

Location: Warrington

Category: educational-instruction-and-library

Location – Warrington

EdNet is currently seeking an experienced SEN Teaching Assistant to support teaching staff in a lovely SEND School in the Warrington area. This is a full time, long term post, and will commence asap. You will have experience and understanding of the needs of pupils with a variety of SEN conditions.

The school aims to provide an all round curriculum that allows children to develop a 'can do' attitude. They foster an environment that allows access to as much of the curriculum as possible.

The role will be to support teaching staff in the delivery of learning activities and to assist with all elements of learning and play.

The successful candidate will:

- Have previous experience of working in a similar environment
- A willingness to participate in relevant training and development opportunities
- Be a pro-active team member, committed to raising standards and achievements
- Have a passion for education and raising the achievement of all children

To express interest, please ring Eileen Norris on (phone number removed) for an informal chat at your earliest convenience
