SEN Teaching Assistant – LSA – Autism – Asperger’s Syndrome – Surrey

The School: SEN Teaching Assistant – LSA – Autism – Asperger’s Syndrome – Surrey

The school is based near Crawley, Surrey and provides support for children aged 6-11 years who have a range of learning and communication needs associated with Autism and Asperger’s Syndrome. All students that attend the school have a designated Education Health Care Plan (EHCP) which details their specific needs in terms of the care and support they will have access to. The pupils at the school can struggle to form strong, healthy relationships and can present high levels of anxiety and challenging behaviour. The school provides a unique, specialist environment that closely fits the needs and challenges that the students face. Most of the students will go on to achieve GCSE qualifications or the equivalent, so at this stage of their education, it is vitally important that they establish sound understanding of key subjects such as maths and English. Your job will be to support this journey to help them access further education or training.
