Senior Architect / Associate Position - Global Architectural Practice

Are you an experienced Senior Architect or Associate ready to take your career to new heights in a globally recognised architectural firm? Our client, a prestigious architectural practice, is currently seeking a talented and driven Senior Architect / Associate to join their dynamic team in the heart of London focused on the Data Centre space.

Key Responsibilities: Lead, manage, and deliver large complex architectural projects from inception to completion. Supervise and mentor a dedicated team of architects and designers, ensuring the highest standards of quality and efficiency. Engage with clients, contractors, consultants, and team members to ensure project objectives, timelines, and expectations are met.

Requirements: Registered Architect A minimum of 8-15 years post registered experience, demonstrating a proven track record of managing and executing large-scale projects. At least 2 years of specific experience working on Data Centre projects. Candidates with backgrounds in life sciences or laboratory projects will also be considered. Exceptional leadership skills, with the ability to manage and inspire a team. Strong communication and interpersonal skills, capable of building and maintaining effective work relationships.

What our client offers: Competitive salary package tailored to acknowledge your experience and expertise. Generous annual leave to support work-life balance. Comprehensive healthcare coverage to ensure your well-being. Attractive pension scheme to secure your future. This role is based in a vibrant London location, offering a stimulating work environment where creativity and innovation are highly valued. If you are eager to contribute to exciting projects and lead a team of talented professionals, we invite you to apply for this outstanding

opportunity. If you meet the criteria listed above, please apply with a copy of your CV by pressing the apply button to be considered. We receive many applications so if you do not hear from us within 5 days, please consider your application unsuccessful this time. We will keep a copy of your details on file for future vacancies. In accordance with GDPR, by applying for this position you give us your consent to process your data in-line with our Privacy and Data Protection Policies which can be read on the privacy policy page on our website*Where we indicate a band of PQE for a role, this indicates how long we would expect an architectural professional to take to gain the level of experience required in an appropriate context. It does not preclude applications from those with more or less PQE who can demonstrate that they have acquired the relevant experience.
