Are you an experienced Senior Architect with a passion for innovative design and modular construction? Look no further! We specialize in creating functional and aesthetically pleasing spaces through modular builds. Our office, nestled in the heart of Blackheath, provides an inspiring environment for collaboration and creativity.

Responsibilities:

- * Lead architectural design and planning for modular construction projects.
- * Collaborate with cross-functional teams, including engineers, designers, and project managers.
- * Oversee project execution, ensuring adherence to quality standards and timelines.
- * Provide mentorship and guidance to junior architects and team members.

* Foster client relationships and deliver exceptional customer service.

Requirements:

* Professional Qualifications: RIBA or equivalent.

* Experience: Minimum of 5 years in architectural design, with at least 2 years in a management role.

* Modular Expertise: Familiarity with modular construction techniques and sustainable design principles.

* Software Skills: Proficiency in AutoCAD, Revit, and other relevant design tools.

* Leadership Abilities: Proven track record of leading successful architectural projects.

* Communication: Excellent verbal and written communication skills.

Why Join Us?

* Be part of a dynamic team shaping the future of modular construction.

* Collaborate with industry experts and contribute to innovative designs.

* Competitive salary and benefits package.

* Opportunity for professional growth and development.
