Are you an experienced Senior Architectural Technician searching for an exciting opportunity to contribute to innovative projects in the heart of Manchester? Look no further! Our esteemed architectural studio is seeking a highly skilled and motivated Senior Architectural Technician to join our thriving team.

As a Senior Architectural Technician, your expertise will be instrumental in transforming architectural concepts into reality. With a proven track record in complex and challenging architectural projects, you will possess a keen eye for detail and a deep understanding of the latest industry standards and regulations.

Joining our dynamic team, you will collaborate closely with other architects, engineers, and designers, ensuring seamless coordination and integration of technical drawings and specifications. With your wealth of experience, you will have the chance to mentor and guide junior technicians, elevating their skills and expertise to the next level.

In this role, you will have the opportunity to work on a diverse range of projects, including residential, commercial, and public spaces. From initial concept development through to construction documentation, you will be involved in every aspect of the architectural process. Your exceptional drafting skills and proficiency in AutoCAD and REVIT will be crucial in ensuring accuracy and precision in all technical drawings.

As a Senior Architectural Technician, you will enjoy a competitive salary package, a supportive and inclusive work environment, and access to continuous professional development opportunities. Join our innovative architectural studio in Manchester today and unleash your potential as a Senior Architectural Technician like never before. Take your career to new heights and make your mark on the architectural landscape.
