Company: Konker Recruitment

Location: Portishead

Category: construction-and-extraction

Konker is currently recruiting for a Senior Architectural Technician to join an award-winning architectural practice based on the outskirts of Bristol.

This practice has two offices across the UK and employs over 50 staff. Due to winning two substantial projects they are recruiting for a Senior Architectural Technician to join their technical team.

Projects-wise they work on anything related to the residential developer sector including care homes, retirement villages, small-medium and large housing schemes, master planning, and urban design.

The role of the Senior Architectural Technician will be within the technical team and involve producing building regulations and working on residential developer work – multi-units.

It would be expected that you will have good knowledge of robust details, lifetime homes, building regs, and AutoCAD with any Revit experience being advantageous.
