About us:

Sonic Healthcare is an internationally renowned healthcare provider with a demonstrable track record of medical across the world. Headquartered in Sydney, Australia, Sonic is an ASX Top 50 company that has grown to become one of the world's leading healthcare providers, specialising in pathology, radiology and primary care medical centres. We have operations in Australia, the USA, Germany, Belgium, Switzerland, the United Kingdom, Ireland and New Zealand.

Sonic Healthcare UK encompasses the two main entities in the UK, The Doctors Laboratory (TDL) and Health Services Laboratories (HSL). HSL is a partnership between The Doctors Laboratory (TDL), Royal Free London NHS Foundation Trust and University College London Hospitals NHS Foundation Trust (UCLH). HSL was formed to provide pathology services to the NHS Trusts and has expanded further to provide services to other NHS Trusts. Over 2,500 staff work at Sonic Healthcare UK, primarily under the TDL or HSL banner.

Our purpose is to deliver medically-led diagnostics, innovation, value and long-term

investment to healthcare. With our core laboratory based at The Halo Building in London WC1H 9AX, we also have an expanding site in Manchester as well as smaller hospital-based laboratories across the country. We maintain rigorously high standards of quality, whilst also delivering efficiencies to healthcare through careful workforce planning, pioneering technology and significant investment in infrastructure and IT.

About the role:

An exciting opportunity for a full time Senior Biomedical Scientist has arisen within the Department of Clinical Parasitology in central London.

This is a small, friendly specialist reference unit providing Microscopy, Serology and Molecular based diagnostic services for a wide range of parasitological infections. Based in the HSL flagship Halo building and with a hot lab in UCLH the department serves as a reference centre offering expert diagnosis, identification and advice on human parasites to both UK based and international clients.

Applications are invited from committed and enthusiastic individuals looking for a new learning opportunity who have an interest in Parasitology and are HCPC Registered with a Biomedical Science Degree or equivalent and a Post graduate qualification of MSc, FIBMS or equivalent. The candidate will have the opportunity to rotate around our serology, microscopy and molecular sections, gaining expertise, carrying out a diverse range of diagnostic techniques and directly observing parasites rarely seen outside of tropical locations. We work Monday to Friday, office hours and have a paid out of hours on call system which you can join after suitable training. The department also carries out extensive testing of new techniques and technologies for the detection of Parasite infections in order to develop our diagnostic portfolio.

The laboratory is situated in central London, has full UKAS accreditation and offers a pleasant working environment with excellent staff facilities.

At HSL we offer a variety of excellent staff benefits including:

- **Training and development opportunities** supporting professional development
- **Annual performance related salary review**

**• No banding restrictions: **As we are a private company we are not restricted by salary bandings and so are able to negotiate appropriate salaries based on experience. This also means that annual salary reviews do not hit a band ceiling

- **Discounted gym membership** – we have a corporate gym membership scheme with Better Gyms
- **Cash healthcare plan** cash back on a variety of healthcare costs including dentist and opticians
- **Sick Pay Entitlement** – 5 paid days in the first year of employment, 20 days thereafter
- **Permanent Health Insurance and Death in Service Cover**
- **Life Assurance** – providing salary continuation for long term illness (six months qualifying period)
- **Employee Assistance Programme** – supporting staff wellbeing
- **Season Ticket Loan Scheme** – interest free loan for the cost of annual travel ticket
- **Perkbox** – Access to additional staff perks and benefits such as high street discounts
- **Company Pension Scheme** – company and staff contributions which increase with service
- **Competitive annual leave allowance** 28 days
- **Flexible working hours** – 37.5 hours standard working week
