Senior Consultant (Climate Change)

[Apply Now](#)

Company: Tarka Talent

Location: London Area

Category: other-general

Climate Change/Sustainability Consultancy Senior Consultant Salary: Circa £40,000 - £52,000 Location: Central London Do you have a background in Carbon Finance, Climate Change or Forestry Consulting? Are you looking for a new opportunity where you will get to travel the world and deliver highly impactful projects? This could be for you. I am partnered with a Boutique Consultancy who specialise in climate finance, carbon offsetting and energy access. They are looking to add a Senior Consultant to their team. Key Responsibilities Include: Supporting the delivery of client assignments: management and delivery of emission reduction projects Climate change mitigation and adaptation projects feasibility and formulation for international organisations and governments voluntary carbon market strategic advice for NGOs and the private sector. Originating projects to be funded through carbon finance and the carbon markets: identification of credible implementation partners; structuring concept notes and business plans Key Experience/Skills: Relevant experience (e.g., climate change, carbon management, international development, forestry consulting) Previous consulting experience and producing reports BSc or Master in a technical field related to energy, energy access (engineering or social science), environmental science, forestry or agriculture Strong communication and interpersonal experience Willingness to travel internationally If this sounds of interest, please click 'Easy Apply' above. Regretfully, due to a high volume of applicants, we are only able to reply to those who are successful. We are committed to promoting equality of opportunity for all employees and job applicants. In line with the Equality Act 2010, we strive to create and maintain a working environment in which all individuals are able to make the best use of their skills, free from

discrimination or harassment, and in which all decisions are based on merit. No individual is subjected to any less favourable treatment on any discriminatory grounds on the basis of age, disability, gender reassignment, marital or civil partner status, pregnancy and maternity, race, colour, nationality, ethnic or national origin, religion or belief, sex or sexual orientation.
