Company: Korn Ferry

Location: United Kingdom

Category: life-physical-and-social-science

Job description

Korn Ferry feels strongly about serving the Nation and have signed and acknowledged the Armed Forces covenant where we are dedicated to recognising the value that our service personnel contribute to our business and our Country.

We are building a digital transformation incubator to work with senior leaders in the Public Sector to reinvent Government.

Our team's purpose is to shift mindsets and build new skillsets to fundamentally change the way Government works. For us trusted relationships are at the core; we are all about generating outcome. We are growing rapidly and have exciting ambitions.

THE ROLE

We are looking for Security Cleared Management Consultants on a Contract basis for a variety of Public Sector focused projects based mainly in London. You'll have a strong background in organisational strategy and transformation and will be used to be working in fast-paced, complex environments within this arena. You'll be customer focused and will partner with our clients as well as being curious and having a can-do attitude to ensure the best outcome. You'll have SC Clearance with Management Consulting experience with a focus on the day-to-day workstream delivery and have demonstrable capability in senior stakeholder management, organisation transformation, human operating model design and strategic communication. We are looking for individuals relatively new to consulting (i.e., 3+ years).

Internal Mobility at Korn Ferry

If you currently work for Korn Ferry or one of our affiliates, you must be eligible to apply for a

different position within Korn Ferry to use the Careers Site. If you accept such a position, your benefits programs and Human Resources policies may change. Please consult with your HR contact for the new position concerning application eligibility, including any immigration/visa needs, benefit programs, and HR policies applicable to that position.
