Senior Control Systems Engineer - Coventry - up to £60,000 + Overtime + Benefits - Ref 1501

I am currently recruiting for a Senior Control Systems Engineer to work for a key client of mine based in Coventry. Salary up to £60,000.

The company have been in operation for over 40 years and specialise in developing control systems for a multitude of different industries. They have a renowned reputation in the industry for delivering exceptional turnkey solutions and have plans to double their current headcount.

To support the continued growth of the business and to deal with the amount of work they have now and forecasted they have the need to appoint a Senior Control Systems Engineer on a permanent basis.

As a Senior Control Systems Engineer in this role, you will have the exciting opportunity to oversee projects from inception to completion, encompassing the entire spectrum of Control System Software design, whether it be via PLC Software, SCADA, or HMI interfaces. Additionally, you will support testing and seamless commissioning of these systems, ensuring their flawless integration into operational environments.

Essential Requirements:

3 Years Experience as a Control Systems Engineer or Similar

Experience Developing PLC Software Design From Scratch - Siemens or Rockwell
Desirable Requirements

Functional Safety

Automotive This is a brand-new position offering a fantastic opportunity for a Senior Control Systems Engineer to join a captivating organisation renowned for its unwavering commitment to innovation and continuous technological advancement. Here, you will be at the forefront of pioneering efforts, constantly pushing the limits of engineering solutions to new heights. For the ideal candidate, the organisation is wholeheartedly dedicated to fostering career growth, thus ensuring that numerous avenues for career advancement will be readily accessible.

This is an immediate requirement so if you have the required skills and experience, please get in touch immediately with an up to date copy of your CV. Either apply direct or contact Billy on (phone number removed)
