Senior D365 Business Central Functional Consultant

£70k - £80k DOE

Hybrid / Remote (UK)

Are you working in the Microsoft D365 BC space? Are you looking for an opportunity that will give you the platform to become an SME in D365 ERP Solutions?

We are working with an influential Microsoft Dynamics Partner specialised in delivering Microsoft Biz Apps solutions and they looking to invest in a Senior D365 Business Central Functional Consultant to join their team. By joining a growing Dynamics BC capability, you will be part of an established and reputable team to support your career development to become an SME in D365.

As a Senior D365 Business Central Functional Consultant, you will be joining their industry-leading delivery team and due to their growth plans for the next few years, this is a great time to join as it will mean accelerated career development for you to take on more responsibility and move into Architecture.

With a healthy pipeline of enterprise D365 Business Central projects, they are making strides

to be the market leader in providing Microsoft Dynamics solutions without the red tape that comes from being in a corporate environment, meaning you would have the autonomy to take charge of your career development. Their open-door policy promotes inclusivity so you will have a voice in the team and have direct input with solutions, projects and the wider team.

As a Senior D365 Business Central Functional Consultant, You will Get:

Dedicated training and development that is tailored to you to reach your goals at your own pace

Working closely with top 5% of D365 experts in the industry meaning you'll be joining one of the leading Microsoft Partners in D365

Fully-funded certifications supported by working for a Microsoft Partner who have a great relationship with Microsoft

Progression opportunities to step up Design and Architecture

Remote / Flexible Working

Competitive Salary
