Company: MBN Solutions

Location: United Kingdom

Category: other-general

Senior Data Scientist – Media - London - £90k Are you a pro at building and deploying ML models? Are you tired of just tinkering with the latest tech without actually making a real impact on business problems? Maybe you'd like to join our team of 50 like-minded ML scientists and engineers who work with zero red tape to create practical solutions that actually work. We're looking for a Senior Data Scientist who has experience in developing Machine Learning models, evaluating and choosing the tools and technologies and driving projects. Who are we? We're one of the UK's largest media companies and we're looking for a Senior Data Scientist to join our Data Science team who are working on modelling business problems including, our next generation of intelligent pricing, marketing, customer engagement tools. Building predictive and personalization models and deploying products at scale. What should my background look like? You'll come from a strong statistical analysis/mathematical background with experience in applying solutions to real world problems. You'll be able to identify opportunities in data, have experience reviewing code for junior colleagues, worked with Data Engineering, Machine Learning and non technical stakeholders. You'll be comfortable assessing and determining how to optimize processes. What skills should I have? As our Senior Data Scientist you will have: least 4 years experience in Statistics and Machine Learning with Python Machine Learning libraries (NumPy, Pandas, SKLearn etc) least 3 years Python programming experience applying models to Big Data with the principles of Continuous Integration and Deployment (CI/CD) with cloud (We use GCP- but any cloud is fine) to translate technical stuff to non technical colleagues What's on offer? There's a generous base salary of up to £90k on offer alongside a generous package which includes, up to

15% bonus, up to 10% matched pension contribution, extensive healthcare and wellness program and flexible working. This position will have flexible/Hybrid working but you will be required to attend one of our offices in London or Berkshire on occasions. How do I find out more? If you feel this is the role for you or would like to find out more get in touch by clicking the 'apply now' button or get in touch with me by the following: Email me at mo@mbnsolutions.com Call me on 02037736498 Please note: you must be eligible to work in the UK to be considered for this position.
