

Senior Ecologist (Leeds)[964953]

Apply Now

Company: Biocensus

Location: United Kingdom

Category: life-physical-and-social-science

We are looking for someone to work with clients in **Leeds**, and the surrounding areas. As a **Senior Ecologist at RSK Biocensus** you can expect to get involved with the delivery of elements of field surveys, assessment, tender and report writing and project management, on various nationwide and local projects.

Key Responsibilities

A Senior Consultant is responsible for managing and overseeing medium/large projects and tenders from commencement to completion and close-out.

Displaying a commitment to the work that is produced, promoting RSK in a positive light to clients and competitors

Managing medium-sized projects, including finance, resource allocation, managing sub-contractors, risk and quality assurance, ensuring timely delivery and effective communication, and seeking and responding to client feedback

Completing fieldwork, including out-of-hours surveys, travelling as required and working away from home

Overseeing aspects of site work and undertaking practical elements of habitat management or creation, under supervision

Assisting with the delivery of survey and research reports, to include document reviews, statistical analyses, licence applications, reporting, etc.

Person Specification

1st Degree in relevant discipline or Vocation qualification

5 Years specific relevant experience

Full UK Driving Licence

Species specific personal licences are desirable

Associate membership with CIEEM.

Abide by CIEEM's Code of Professional Conduct.

Salary and Benefits

£31,000 – £42,000

Company paid life assurance

Contributed pension scheme

Discounted Gym Memberships

Regular career training and development

A flexible benefits programme including the option to buy additional holidays, health cash plan and discounted gym membership
