Join us and help deliver the exceptional, every day. Mitie Energy is seeking an experienced Energy Manager to join their established and successful team of professionals in the North West part of the UK (Liverpool, Manchester, Leeds). The ideal candidate will be able to create energy strategies for customers in a wide range of sectors, deliver energy savings via Energy Performance Contracts (EPCs), develop a pipeline of energy-saving opportunities, and engage with both internal and external stakeholders to support the implementation of identified energy-saving opportunities. The candidate should be suitably qualified and have at least two years of related experience and/or training. They should have a strong technical understanding of energy management processes and techniques, as well as technical understanding of common building services and systems. Good commercial skills, project management experience, and excellent communication and people skills are also essential. The candidate should be highly proficient in MS Office software and have an interest in ongoing learning and development through personal and work-related training. Apply to Join the Mitie Team. Our market-leading offering provides you with benefits that suit your lifestyle. We have a virtual GP on hand for you and members of your household. So you can get expert advice by video or phone without having to leave your home. We offer financial wellbeing assistance through our Salary Finance scheme. For example, you could access 50% of your earned pay before payday for a small fee. Salary Finance also offers competitive loans. When you join us, we'll give you a link to our flexible lifestyle benefits platform, Choices. You might choose to purchase up to five extra days' holiday each year. You might buy critical illness insurance, seek dental treatment or buy technology products at an affordable

cost. There are many choices! We give you access to high street discounts from thousands of well-known retailers, gyms and more through our MiDeals platform. And we have a cycle-to-work scheme. Life cover of up to four times your salary is available. We also offer enhanced pension contributions, a save-as-you-earn scheme, and a Mitie Matching Share Plan (you could even be awarded free shares in Mitie). We award our employees with Mitie Stars as recognition for their hard work. There are cash prizes up for grabs each month and at the end of the year there's a chance to scoop a top prize of £10,000! Our success is a direct result of the experience and quality of our people. Progressing your career is therefore a top priority for us. We offer a diverse variety of training and development avenues via a wide selection of learning resources to suit you. Since 1987, Mitie's 68,000 employees have been maintaining companies globally.
