

Senior Engineer Jobs in Leeds

[Apply Now](#)

Company: Logical Personnel Solutions

Location: United Kingdom

Category: architecture-and-engineering

Logical are currently recruiting for an experienced Senior Civil Engineer who is looking to step up into Project Management to fill jobs for an SME tier 1 contractor in Leeds / Yorkshire.

The position is Site based and would suit a Sub Agent, Site Agent or Senior Site Engineer who is looking to move into Project Management

Works across Civil projects within rail and includes complex drainage, though the position is not out and out rail and the client is open to consider civil engineers from other Sectors.

Salary is negotiable albeit circa £40-£50k + company van.

Start dates are set for October, notices can be accommodated.

Ideally the client is looking for someone who is a member of the ICE.
