Company: Skilled Careers

Location: Central London

Category: construction-and-extraction

Job Title: Senior Estimator

Location: Central London

Package: £85,000 - £95,000 plus car allowance and bonus

Skilled Careers are working with a High-End Residential Main Contractor who due to an incredible amount of work winning they are looking for a Senior Estimator to join the team.

The Senior Estimator would be working on either a High-End Residential New Build, Refurbishment or Fit-Out Project valued from £5m up to £50m+ in Central London.

Duties

Work on High-End Residential New Build, Refurbishments & Fit-Out Projects in the heart of London.

Leading on relevant tenders, process and resources with a high degree of commercial acumen and skill

Identify opportunities to add value and to mitigate against risks / consider solutions

throughout the project process

Ensure monitoring of the tender process is in place for all tenders and report on progress via estimating plan

Lead the pricing process and promote integration of disciplines through accurate reporting and regular internal communication and feedback on relevant tenders

To lead the supply chain enquiry process

Proactively maintain the cost base by assisting with latest quotations, framework rates – controlling costs, timing and quality in line with specified targets

To produce a detailed control document to handover to the delivery team

Working collaboratively and communicating effectively with other areas of the Construction business to provide exceptional support

To work to the Company's Quality, Environmental and Safety Management System standards and performance criteria including delivering the objectives set

To co-operate on matters of health and safety and follow the training provided. To take reasonable care of personal and other's health and safety at all times

Any other duties consistent with the role of Estimator as may be required from time to time.

Requirements

An Estimator/ Senior Estimator who has experience working for a UK High-End Residential Main Contractor.

High-End Residential New Build experience.

Someone has the ambitions to progress.

What is in it for you?

£85,000 - £95,000

Car allowance

Bonus

Clear progression.

Support in further education.

This is an exciting opportunity for a Senior Estimator to work for a leading High-End Residential Main Contractor.
