

Senior Estimator (Highways)

[Apply Now](#)

Company: Flagship Consulting

Location: Birmingham

Category: construction-and-extraction

One of the regions leading Infrastructure Consultancies is looking to recruit a Senior Estimator to work on a large Highways framework in Birmingham.

THE COMPANY

The client is one of the leading Consultancies in the region with a network of offices across the country as well as overseas. They work across all sectors both within Property and Infrastructure and are involved in some of the regions largest developments. They have an outstanding reputation and strong track record of developing their employees to Director level positions.

THE POSITION

The position is for an Estimator at senior level to get involved in taking full responsibility of a number of projects for a large Highways framework. The successful Estimator will be given the opportunity to take full client ownership and manage the project through to completion. At Senior level the successful candidate will also be given the opportunity to get involved in business and client development and represent the company at various networking events and meetings.

THE CANDIDATE

The successful Estimator must:

Have a relevant degree

Have experience working as a Estimator within the Civil Engineering sector

Have experience working on projects within Infrastructure and have a working knowledge of the NEC form of contract

Have good communication skills

WHY YOU SHOULD APPLY

Excellent reputation in the market as being a good employer

Opportunity to take a leadership role on a large, Flagship framework

Fantastic opportunity to progress to Associate level and beyond

INTERESTED?

Apply in confidence to this advert or contact Tom Evans on (phone number removed) for more information.
