Senior Highways Design Engineer - Ipswich

Our client, a leading Design Consultancy in the Highways sector, is looking for a Senior Highways Design Engineer to join their team in Ipswich. In this role, you will be responsible for producing design solutions to maintain and improve highway infrastructure across the whole of Suffolk.

As a Senior Design Engineer, this role will see you play a key role in overseeing the coordination of design deliverables, ensuring compliance with quality standards and legal requirements, and managing multi-disciplinary teams.

Key Responsibilities:

Senior lead on the coordination of design deliverables to achieve project outcomes

Technical design checks

Delivery of projects to agreed time, cost, and quality expectations

Resource planning and coordination of multi-disciplinary teams

Ensuring compliance with internal quality standards and processes

Compliance with Health & Safety and Environmental legislation

Staff and people management, including training and development, performance reviews, and performance management

Working collaboratively with customers to understand and develop project objectives

Managing and developing customer relationships

Key Skills & Requirements:

Chartered Engineer or a highly experienced Engineer working towards C Eng (minimum 10 years relevant experience required)

Evidence of leading multi-disciplinary projects to achieve program, cost, and quality expectations

Extensive design and construction experience in highways, including review of design software outputs

Experience of commercial awareness in project delivery

Extensive experience of Local Authority design standards and contracts

Evidence of developing and mentoring staff

Experience of design resource planning and program management

Evidence of managing Health & Safety in design and construction

Computer literate, particularly with packages such as Microsoft Excel and Word

Experience of the NEC suite of contract documents and contract administration

UK/EEC driving license

Our client offers a competitive salary along with a range of benefits including 28 days' annual leave plus 8 days' bank holiday, a pension scheme, life assurance, employee discount platform, and group-wide career opportunities. You will have the opportunity to work for an industry-leading organization that is dedicated to reducing carbon emissions, driving a circular economy approach, and increasing biodiversity.

Don't miss out on this excellent opportunity. Apply now!
