

Senior Interior Designer/Architect

[Apply Now](#)

Company: Oyster

Location: London Area

Category: other-general

Oyster Partnership are working exclusively with a Luxury Super Prime Real Estate Developer in London. They are well known for developing some of the most notable Luxury schemes in London and have an exciting opportunity for a Senior Interior Designer/Architect to join their team. The primary function of the Senior Interior Designer is a creative project production role focused on designing and supporting the day to day delivery of project content as well as generating ideas. Key Responsibilities The Design and Delivery of Project Content Understands the project's design brief and work towards its successful delivery Works with the design team to prepare documentation for client presentations, including the use of CAD drawings, sketches, 3D models, rendered elevations and mood imagery. Coordinates design proposals and development with internal and external design teams Reviewing of initial draft of drawing packages. Oversees workflow and deliverables for Project Designers in terms of delegation of tasks and communication within project teams. Review drawing packages produced by external consultants and ensure the implementation of the design intent across all disciplines. Attends site visits, installation of goods to site meets with the specified project timeframes. Relevant Experience Up to 8-10 years proven experience managing high-end residential projects from inception through to completion Understanding of construction costs and a working knowledge of materials and suppliers and their respective costs Hospitality experience is a must Well-versed in interior architecture including spatial planning, joinery, finishes, etc Well-versed in FF&E including furniture dimensions, suppliers, and price point Qualifications • At least one industry recognised diploma or degree in interior design, interior architecture or furniture design. In return you will receive a salary up to £50,000

+ Bonus. We would like to attract talent from all corners of the Property world for this role. Our commitment is to an equitable recruitment process so feel free to apply in any way that suits you, via WhatsApp, video message, CV, the more creative the better. If this sounds like something you'd be interested in, please do get in touch. For more like this and to be kept up to date on opportunities like this, add me on LinkedIn – Angus Archibald .
