On behalf of one of our clients, we are seeking a Freelance Senior Designer for an 8-week (minimum) project starting ASAP. **Key Responsibilities:** At the forefront of the action, the Senior Designer will collaborate closely with the Directors, driving the project forward. Your pivotal role entails crafting both innovative and technical design insights, vital for the project's triumph. Seamlessly immersing yourself within our external collaborators' team, you'll infuse your expertise, elevating the project to new heights. **Essential Experience:** Mastery in Vectorworks 2D. Profound expertise in 3D CAD modelling. Extensive familiarity with premier design suites. Comprehensive proficiency across all project phases, from inception to construction, is essential. **Availability:** Commitment is key. You'll be required to dedicate 5 days per week for the initial 8-week period, transitioning to part-time during the design guardianship phase. Additional details regarding the timeline will be discussed during the interview phase.
