ENTERPRISE LAWYER – GAMING / REGULATORY

FAST PACED AND GROWTH MEDIA COMPANY!

Our entertainment client is a network of iconic, multi-platform brands. It is one of the UK's largest media groups and is the UK's biggest magazine publisher as well as biggest digital commercial audio broadcaster. We are working exclusively and on a retained basis with their General Counsel to find a Senior Legal Counsel to join their team.

Operating in countries the legal team provides legal support to the audio and magazine publishing businesses. As Senior Legal Counsel the key purpose of your role will be to deliver strategic and commercially focused legal and risk management expertise to the Enterprise Division, which is the consumer-focused trading division of the business. Among other things, the division has a focus on driving revenue through competitions.

Day to day you will provide strategic counsel to the Enterprise Team on a range of legal matters across its operations, with a focus on regulatory, compliance and general commercial issues. You will draft, review, and negotiate agreements covering the full breadth of the Enterprise Team's commercial activities, including advertising sales, ad tech, marketing, media rights, SAAS, intellectual property and media content licensing, technology services, and partner/vendor agreements.

In return you will be trusted with a broad range of challenging and interesting work in a team that values individuals and offers flexibility alongside a great work-life balance. Hybrid working is firmly in place here as is a meritocratic environment where output and delivery is rewarded and not presenteeism.

You could be based in London, or more remotely with the ability to travel from time to time to the North-West where the commercial team are based. Please do get in touch with me if this role is of interest as interviews commence imminently.
