Senior Manager Instructional Design

Must be able to work 3 days on site per week

Washington DC based

Salary depending on experience + Annual bonuses + Stock options

Want to be a part of a growing start up adventure?

Are you a dynamic eLearning pro looking to revolutionize the world of education? Our client, a rapidly growing startup with a passion for innovation, is on the lookout for a visionary Deputy Senior Manager, Instructional Design to grow and lead the team!

Why join?

- Embrace the thrill of a startup and have a passion for their mission
- Stock options and competitive salaries
- Work with top industry experts in education and collaborate on ground breaking projects

- Secure a leadership role in a high-speed environment, contributing to a multi-million-dollar contract and Fortune 500 partnerships in the pipeline

The role:

- Support the Director of Instructional Design to develop and lead a team of learning enthusiasts
- Create top-notch eLearning experiences and enjoy individual contributing
- Be the maestro behind informative assessments
- Utilize the Articulate Suite
- Spearhead the creation of impactful eLearning solutions, and best practices for rapid development
- Innovate instructional strategies and technologies to optimize learning outcomes and achieve objectives.
- Conduct comprehensive formative and summative learning evaluations
- Partner with company executives to understand customer needs, develop tasks and requirements, and ensure quality through various control activities
- Ensure eLearning courses remain current by consistently refreshing and updating content

Experience required:

- 5+ years crafting eLearning magic with tools like the Articulate Suite
- Start up mindset, loves to still be an individual contributor

- Proven management experience, plus a flair for developing engaging training materials
- Commitment to user satisfaction and a deep belief in the Age of Lifelong Learning
- Excellent communication skills, and the ability to thrive in a dynamic, team-based startup environment.

Perks and Package:

- Competitive salary
- Stock options
- Annual bonuses
- Work on ground breaking projects

If you would like to discuss the role, and your experience in more detail, please apply today!
